

Press Release

This year marks the 10th anniversary of the annual Art Alchemy Square Foot Show and even a pandemic couldn't keep us from finding a way to safely showcase the work of the artists up and down the island, on the mainland, and across Canada.

Artists have been busy creating in various mediums to fit the parameters of Art Alchemy's Square Foot Show. We will have artwork from local talent and new arrivals to the valley, artists from Powell River, Qualicum Beach, Canmore, Calgary and more. After 10 years of doing the show, the word is spreading and it is such a treat for all!

Art Alchemy Studio in Courtenay was founded in 2011 by 5 artists wishing to have proper studio space and create a place for cross pollination of inspiration and experiences. It has seen many fine artists over the years pass through the doors and up the unreasonably long set of stairs!

We are now a group of 10, and we are excited to host this happily anticipated annual event for the artists as well as the community.

Things will look a little different this year given that the safety of the community is our primary concern.

All of the Square Foot paintings will be displayed and available for purchase in the online gallery.

The online gallery will be visible from Monday, November 16 – Sunday, December 20. All purchases of the art will be made online at <https://www.eventeny.com/.../art-alchemy-square-foot-show-750>

The Square Foot Show will be open for viewing by appointment, at Art Alchemy Studio

Covid Safety measures require that you wear a mask. Social distancing will be in effect.
Friday, November 20 10:00AM – 6:00PM

Saturday, November 21 10:00AM – 6:00PM

Sunday, November 22 10:00AM – 4:00 PM

Live Instagram Event, Friday 7:00 PM

There will be hosts in the studio to help you with your online purchases or you can buy the painting that you love, in the comfort of your own home.

All of the artwork is the same size (12"x12") and the same price (\$250), made by over 60 different artists.

This is a special price as many of the artists sell their 12"x12" panels for much more, so it is a wonderful opportunity to expand your art collection without breaking the bank. Because the show happens every year, it's a nice way to slowly build a collection that looks good together (all the same size) and you can fit anywhere!

The Square Foot Show is generously sponsored by local art lovers Susan Carson and Rick Morson, of the Carson, Morson Financial Group, who personally donate to the exhibition annually.
